

Safe Disposal of Unused Prescriptions

Take It To
THE BOX

The **Take It To The Box** Program promotes the safe disposal of unneeded and/or expired prescriptions and over-the-counter medications. This includes both human and animal medications along with illegal drugs. **Needles are not accepted.**

1.

Keep the medication in its original container.

2.

Leave the name of the drug and other content information clearly visible. Remove the name and other identifying information by scratching the person's name out, covering with a permanent marker or by cutting that part of the label off.

3.

Drop medication into the disposal box opening.
